

Author Registration Information and Check List (SEDE 2025)

Final manuscripts, to be published in the conference proceedings, must be submitted through the conference management system, Springer Meteor. The manuscript must be accurately prepared following the manuscript preparation instruction and guidelines to make it acceptable for publication in the ISCA conference proceedings.

As the conference proceedings will be published by *Springer Nature*, the final manuscript must accurately follow the *Spring Nature* format. The Springer Nature template is given at the bottom of the page at:

<http://www.isca-hq.org/isca.php?p=Conferences>

Or, you can directly download the Springer templates from these links:

All submissions must be uploaded through *Springer Meteor*:

<https://meteor.springer.com/SEDE2025>

Note: All authors must directly submit their final manuscript using conference management system, *Springer Meteor*. Final manuscript must be received by August 25, 2025 for including in the conference proceedings. In the case of multi-authored papers, at least one author must register at the full registration rate for the paper to be considered for presentation at the conference. If an author has more than one accepted paper, he/she must pay the full registration fee plus extra page charges, if any. Each additional paper costs half the full registration fee plus extra page charges, if any.

There will be a reduced \$200.00 registration fee for student attendees only with a valid student ID (please complete *Attendee Registration Form*). The \$200.00 student fee applies only to students attending but not presenting a paper or students attending and presenting a paper for which a full Author Registration Fee has been paid.

All authors must fully register by August 25, 2025. Manuscripts received after this date will not be published in the proceedings of this conference. If you have an individual problem, please contact ISCA (via e-mail: isca@isca-hq.org) for a possible due date extension.
